

SAINT ANDREW'S ORTHODOX CHURCH SCHOOL

Saint Andrew's Orthodox Church School is a new independent primary day school in the heart of Edinburgh. Offering an excellent classical education with a Christian orthodox ethos.

OUR UNIQUE CURRICULUM

We return to a discipline-based, knowledge-based curriculum that aims to give children a basic understanding of the world around them. With optimal teaching practices, small classroom sizes and dedicated teachers each child benefits from a rigorous, high-quality education. Our school brings what is best to children so that we can bring out what is best in them. **Every child deserves an education equipping them to achieve their full potential.**

GROWING IN THE CHRISTIAN FAITH

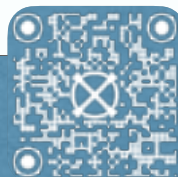

As an Orthodox Christian School we teach the Christian values and virtues to our children. The school teaches theology practically: through regular prayer, the lives of saints, regular participation in liturgical life, conversations with the clergy, and education in church history, chanting, and iconography.
